

## Health and Safety Policy

### Covid 19

We have taken the following precautions to protect staff, congregation and visitors during the Coronavirus Pandemic. Our measures will be in line with directions from the Government and the Church of England.

1. Masks will be mandatory unless someone is medically exempt.
2. Hand sanitiser will be provided at the main entrance and vestry entrance to the Church.
3. We will have a QR code available for use in the vestry and the South door. Names and contact details will be taken from people unable to use this.
4. Sanitiser and wipes will also be provided at various places in the church. To use before and/or after taking communion.
5. During times open for Private Prayer sanitiser, Track and Trace system and sanitising wipes will be used.
6. Chairs and all touch points will be sanitised in between services. This will include funerals and after Private Prayer. During openings for Private prayer on of the Stewards will sanitise any seats used.
7. Seating will be arranged to allow Social Distancing.
8. People will be asked not to mingle and to obey Social Distancing rules.
9. Singing will only be allowed in line with Church and Government rules.
10. We will always keep abreast of changing Government and Church rules and make any changes necessary to ensure the safety of our Staff, congregation and any visitors.
11. For ventilation purposes the South and West Doors to the Church remain open during Services.
