A TALK by Alison Uren

The author of this beautifully illustrated book celebrates the wonderful wildlife which thrives on the nature reserves in the heart of Somerset.

Enjoy her authoritative guide and discover the many varied species making their home on the marshes. The birds, mammals, flora, fish, reptiles, amphibians and insects that feature in a stunning collection of photographs in Alison's book, will be brought to life with some amazing wildlife videos, taken on the Avalon Marshes.

All profits from her book will be donated to the RSPB £25 from the publisher at naturebureau.co.uk/bookshop or your local bookseller. Alison will have copies of her book with her, available to you at a special price of £20 - cash/cards accepted
